

Ryan White Part C

Oral Exam PDSA

1-23-20

1. Get baseline report for teeth and/or mouth exams by next data meeting (2-13-20).
2. Run report every 3 months x 2.
3. Evaluate results and determine need for further action. (If there is a need for need further improvement, consider adding as a measure to quarterly report. If reports show improvement, consider running report annually.)
