Be Ready Personal + Family

Be Ready, Communicate!

1. **Collect** paper copies of family phone numbers, doctors offices, and schools
2. **Share** copies with friends and family
3. **Practice** communication plan regularly within your household.

Did you know?

Only 39% of Americans have created an emergency plan and discussed it with family members? Let's increase our resilience with your plans!

September is National Preparedness Month. Follow #NPM all month long to share & learn preparedness tips!
